| This opinion contains indications relat   | ing to the following its   | eme.   |                                |  |  |  |  |  |
| X Box No. I Basis of the opinion  |  |  | :                              |  |  |  |  |  |
|   |  |  |                                |  |  |  |  |  |
| Box No. II Priority   |  |  |                                |  |  |  |  |  |
| Box No. III Non-establishment of opinion with regard to novelty, inventive step and industrial applicability  |  |  |                                |  |  |  |  |  |
| Box No. IV Lack of unity of invention   |  |  |                                |  |  |  |  |  |
| X Box No. V Reasoned statement citations and explan   | Box No. V Reasoned statement under Rule 43bis.1(a)(i) with regard to novelty, inventive step or industrial applicability; citations and explanations supporting such statement |  |                                |  |  |  |  |  |
| Box No. VI Certain documents  | cited  |  | •                              |  |  |  |  |  |
| Box No. VII Certain defects in the  | e international application  | . nc   |                                |  |  |  |  |  |
| Box No. VIII Certain observations on the international application  |  |  |                                |  |  |  |  |  |
|   |  |  |                                |  |  |  |  |  |
| 2. FURTHER ACTION   |  |  |                                |  |  |  |  |  |
| If a demand for international preliminary examination is made, this opinion will be considered to be a written opinion of the International Preliminary Examining Authority ("IPEA") except that this does not apply where the applicant chooses an Authority other than this one to be the IPEA and the chosen IPEA has notified the International Bureau under Rule 66.1bis(b) that written opinions of this International Searching Authority will not be so considered. |  |  |                                |  |  |  |  |  |
| If this opinion is, as provided above, considered to be a written opinion of the IPEA, the applicant is invited to submit to the IPEA a written reply together, where appropriate, with amendments, before the expiration of 3 months from the date of mailing of Form PCT/ISA/220 or before the expiration of 22 months from the priority date, whichever expires later.   |  |  |                                |  |  |  |  |  |
| For further options, see Form PCT/ISA/220.  |  |  |                                |  |  |  |  |  |

## **CLAIMS 1-10**

None of the citations in the search report, individually or in combination, disclose the features of the claims. In particular, there is no disclosure of a sound generating device mounted external to the smoke detection chamber. Furthermore, none of the distinguishing features over prior art would either be obvious to a person skilled in the art or would merely amount to adding common general knowledge. The claims are, therefore, novel and inventive.
